14 Sattler Road, Caloundra

4 BED 2 BATH 8 CAR

Very rarely does an opportunity like this present itself.....rural living, 5 mins from town and the beach, amazingly situated on the coast side of the Bruce Highway, this unique opportunity is set on a picture perfect 1 1/2 acres in a very tightly held area. This home has a story to tell. The original Queenslander style home started life in Maroochydore, and then together with quarters from the Cooroy Timber Mill it made its home here in Caloundra. Set amongst tranquil gardens this special home is filled with solid features, charm and character, with gorgeous solid timber flooring, shady veranda and an expansive indoor/outdoor entertaining area.
