19/7-9 Juan Street ALEXANDRA HEADLAND QLD

3  2  1 

Three bedroom apartments in Alex are very rare, especially if they have ocean views and are at such an affordable price!

This top floor apartment in 'Headland Gardens' is only a street away from the beautiful Alexandra Headland beach.

This is one of the most popular complexes with high occupancy, giving you the option of renting for excellent returns should you decide not to live in it. Plus this one is the best position in the building! It has a great ocean view plus is very private from the other units.

The location is prime.. Quiet and part of the sought-after "Golden Triangle", just so close to the beach.
