Owners circumstances have changed, Christmas is fast approaching, who's the lucky new owner?

Nestled on a neat landscaped block with well established tropical vegetation, this home offers privacy as well as comfortable, relaxed Queensland living.

You're immediately welcomed into the home with a sense of space and natural light which filters through from the north facing entertaining deck. This will become the most used space in the house! The open plan kitchen overlooks your outdoor living zone, with separate lounge, a great place to relax on cooler nights. This well designed home consists of 3 upstairs bedrooms, all with built in robes, master room with ensuite, kids & guests bathroom with
