Amber Werchon Property presents to the market, 31 Thrushes Road Dulong.

This Parklike property is perched high on the Northern Slopes of Dulong drinking in views across rolling farmlands and all the way Noosa National park.

The 5675 Square meters of land are planted with tropical trees and shrubs, fruit trees and garden beds, on fertile soils with two dams with more than enough water for the driest of summers.

Room enough for a large family and their dogs, this house and land are so private, the road is so quiet and the land large enough for the most ardent gardener. There are already some unique palms and Cicads and productive fruit trees including citrus and mulberries.
