13/8 Pacific Boulevard, Buddina

Rarely does an opportunity to purchase into the 'Breakwater' building arise and it is truly no surprise that these apartments are so tightly held. Showcasing the most breathtaking 360 degree views over the ocean, river, and hinterland, including Mooloolaba beach and boat harbour, Moreton Island, Old Woman Island, Mount Coolum and the iconic Glass House Mountains, it is a vista that is so spectacular day and night, words simply don't do it justice.
