11A Shrapnel Street BUDERIM QLD

4  2  2 

Nestled in an elevated position, with a north-easterly aspect in one of Buderim's best streets is this multi-level family home. Boasting never-to-be-built-out spectacular views, this home is the complete package for anyone looking for a substantial sized property close to everything.

Upon entry into the home you will be drawn to the amazing, picture-postcard views which are showcased from the enormous living & dining area, front deck and master bedroom. However, there is much more to like about this home apart from the view. The living areas have a great feeling of light and space, with polished timber floors and high ceilings. The dining area is slightly raised and adjacent to the kitchen.
