13 Chadwick Street BUDERIM QLD

3  2  2 

If you are in the market for a house with a warm and welcoming ambience, you must inspect this charming timber home on top of Buderim with lashings of appeal.

Nestled on a leafy corner block in a quiet, established residential street, surrounded by flowering shrubs and native foliage, is this three bedroom home, which really must be inspected to be fully appreciated.

Upon entering through the front gate there is an overwhelming sense of calm and tranquility. A covered timber front deck, extremely private due the dense foliage, would be the perfect spot to sit and relax after work with a wine or two equally, a lovely alfresco place to enjoy your morning toast and coffee over the daily newspaper.
