## 15 Eliza Way MAROOCHYDORE QLD

4  2  3 

Post Auction depression and the lingering 2nd Loan on the sellers new home has caused them to say "Jared, we are over it and just want it sold! Bring all offers now!"

This privately pointed immaculate residence has been enjoyed by a large family and now it's your turn! This is a fantastic little pocket of Maroochydore that somehow maintains the tranquillity of the suburbs yet you have both first and secondary schools and the Sunshine Plaza only minutes away. Not to mention beautiful Maroochy River with its BBQ areas and parkland just as close.

It really is ideal for the busy working family that enjoy low-maintenance living with all the trimmings. Well established tropical gardens line the entry where once
