

AMBER WERCHON

PROPERTY · PEOPLE

70 Little Creek Road COOROIBAH QLD

4 1

There is a good deal more to this near town property than first meets the eye. Although the private road entry under a canopy of trees to rolling grassed yards is impressive, it is the no through road location around 11 kilometres out of down town Tewantin and backing the state forest that really puts the icing on the cake. The block has two entry points, one direct off Little Creek Road and the other via a registered easement from the end of the cul-de-sac.

Sitting on the porch it is easy to watch and create life long memories of your children playing in the abundant flat yards, splashing in the swimming pool, or monkeying around in the cubby house. This is what family dreams are made of.
