Amber Werchon Property presents to the market, 61-75 Vise Road, Forest Glen; Sunshine Coast has seen the biggest real estate boom in history. People from all around the world are flocking into our beautiful Sunshine Coast and real estate of this nature is getting scarcer by the day. This is a massive 9987sqm of almost all cleared and usable land with emerging community zoning -that makes it the perfect piece of Real Estate to own as an investor as the development potential here is unlimited (STCA). Furthermore, the recent residential retirement development happening next door is going to bring in a massive influx of infrastructure to the immediate area.
